

# October: Month of the Holy Rosary

by Reverend Matthew R. Mauriello

The month of October continues. Each year this month is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical memorial of Our Lady of the Rosary is celebrated annually during this month on October 7. This memorial was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church and her spiritual children in answer to the praying of the Rosary by the faithful.

The memorial was introduced by Pope St. Pius V in the year 1571 to commemorate the miraculous victory of the Christian forces in the Battle of Lepanto on October 7, 1571. The Pope attributed more to the "arms" of the Rosary than to the power of cannons and the valor of the soldiers who fought there.

In this month of October, let us consider this beautiful prayer of the Rosary as a means that we, too, can use in order to draw closer to Jesus and Mary by meditating on the great mysteries of our salvation.

Our parishioners pray the Rosary on Monday through Saturday mornings beginning at about 8:30 a.m. immediately following the conclusion of our 8:00 a.m. weekday Daily Mass. All are invited and welcome. Our Lady of the Rosary, pray for us.

## The Commemoration Of All The Faithful Departed (All Souls' Day)

The Commemoration of All the Faithful Departed (also known as All Souls' Day) is celebrated by the Church on November 2. Here at St. Michael's, in addition to our customary Sunday Masses on All Souls' Day we will also celebrate a **Candlelight** Sunday, **November 2 at 7:00 p.m.** All evening Mass. Letters were mailed three weeks ago to the families of the parish last year's All Souls' Day inviting them a Candle of Prayer and Remembrance one at the conclusion of the Prayer of the the parish's recently deceased will be ceremony. Since All Souls' Day this year falls on a Sunday, we will also have Masses that day at the usual Sunday hours of 7:00 a.m., 8:30 a.m., 10:00 a.m., 12:00 p.m., 4:00 p.m. and the Candlelight Mass at 7:00 p.m.

The Church encourages the offering of prayers and Mass for the souls of the faithful departed. And the Church teaches that the faithful on earth can assist the departed in attaining the Beatific Vision through their prayers, good works, and the offering of Mass. The Candlelight All Souls' Mass will be preceded by an instrumental Musical Prelude led by Acting Music Director Lauren Walters at 6:30 p.m. and will be followed by a reception with light refreshments in the Lower Church immediately after the Mass. May perpetual light shine upon the souls of all the faithful departed.

### Registering as a Parishioner

Why is it so important to register with a parish? Registration is the official way we join a parish community. Some people think that because they attend a particular parish they automatically belong. Registering as parishioners requires signing up, formally enrolling yourself in a parish by contacting the parish business office. Registration is a commitment to a community, a way to be included in the religious, social and ministerial activities of your parish. Registration shows you belong. It is also necessary for certain benefits and administrative purposes, like scheduling sacraments, obtaining a sponsor or godparent eligibility and qualification letter from the pastor, and getting donation statements for your income tax returns. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish and of the Church. For further information about registering at St. Michael's Church, please call Mary or Emily at the Parish Office at 732-222-8080. Thank you.

### All Saints Day

#### Reminder: All Saints Day Is **NOT** a Holy Day of Obligation This Year

The Solemnity of All Saints (celebrated annually on November 1) is ordinarily a "holy day of obligation" requiring attendance and participation at Mass on that day. However, November 1 this year falls on a Saturday and so **the obligation to attend Mass that day is "abrogated" or lifted in the United States.** Even so, all faithful who are able to ***attend Mass on November 1 are still invited and strongly encouraged to do so*** or to join the universal Church by celebrating this important solemnity through prayer.

The Mass for All Saints Day will be celebrated here at St. Michael's on Saturday, November 1 at 8:00 a.m. All are invited and welcome to attend that Saturday morning Mass.

If there are any questions, please call the parish business office.

## The Sacrament of Holy Matrimony

Jesus elevated marriage to a Sacrament at the Wedding Feast at Cana. Catholics have the duty to receive the Sacrament of Matrimony in a Catholic church. The Grace of the Sacrament of Matrimony enhances and supports the permanent and indissoluble bond of marriage and strengthens the love and fidelity, patience and wisdom of the spouses.

Please make contact with the parish office at least one year prior to your intended marriage date to begin the preparation process. This includes attendance at a Pre-Cana Conference and several meetings with one of our parish priests. A specific wedding date cannot be assured by the parish until **after** this marriage preparation has commenced and initial documentation has been received and reviewed. Therefore, all engaged couples are strongly advised to **speak to the parish staff first** when beginning to make wedding plans and **strongly advised not to make commitments with third-parties** (banquet halls, photographers, hotels, airlines, etc.) until **after** the wedding date has been finalized in writing with the parish office.

If you are presently in a civil marriage and desire to receive the Sacrament and enter into a valid Catholic marriage, please contact the parish office at 732-222-8080 to obtain further information about the "convalidation" of your marriage. We also offer direction and assistance on the possibility of receiving an annulment for those who are divorced. Please do not hesitate to call. The annulment process is generally less difficult or cumbersome than imagined.

*Pastor's Note. **October** is the **Month of the Holy Rosary** as well as **Respect Life Month**. In our parish bulletin this week and during the weeks of October we have been including important teachings and writings of the Church on both of those subjects. That series began two weeks ago with information on the graces and benefits that are obtainable from the praying of the Rosary. Last week the series addressed the origin and history of the Rosary and the power of this prayer. Please pray the Rosary frequently if not daily. The series continues this week with a teaching document written in September 2020 by our Bishop, His Excellency David M. O'Connell, C.M., to help us to know and understand more fully and to live-out more effectively the teaching of our Church on respect for human life (especially the lives of the most vulnerable in the womb) and the sinfulness of abortion. Please continue to pray for the end of abortion; for conversion, reconciliation, and healing; and for competent and compassionate care and support for women during pregnancy and thereafter. Our Lady of the Holy Rosary, pray for us. Our Lady of Guadalupe, Patroness of the Unborn, pray for us.*

## Please!!! May We All Respect Life!!!

*By David M. O'Connell, C.M.  
Bishop of Trenton*

I am convinced, after 66 plus years on this earth, that all of the problems impacting us in this world of ours derive from a single root cause: the failure to “respect life in all its stages, from conception to natural death.”

Abortion, euthanasia, capital punishment; acts of terror and war; escalating crime; violence and wanton killing of innocents; domestic and sexual abuse; drugs and gang crimes; the immigration crisis; poverty and inequality; discrimination and injustice; racism and hatred; breakdown of the family; blatant disregard for the environment — these are all “life issues” because they tear at the most basic obligation of every human: to respect life. Think about it for a moment.

Of all these failures to respect life, the United States Conference of Catholic Bishops have declared that the threat of abortion remains “our preeminent priority” because it directly attacks place within and because of the At the same time, we other serious threats above. Our efforts to

Additionally, abortion contaminates many other important issues by being inserted into legislation regarding immigration, care for the poor, and health care reform, and so on.

All human life is sacred. The dignity of the human person is the foundation of a moral vision for society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our society, human life is especially under direct attack from abortion, which some political actors mischaracterize as an issue of “women’s health.” Other direct threats to the sanctity of human life include euthanasia and assisted suicide (sometimes falsely labelled as “death with dignity”), human cloning, in vitro fertilization, and the destruction of human embryos for research.

October 1 this year begins “Respect Life Month,” with October 3 designated as “Respect Life Sunday” in the Catholic Church in the United States. Beginning on the weekend, all Catholics are called to celebrate our Church’s commitment to respect life in all its stages. the Church invites us all to consider every means at our disposal to advocate on behalf of every human life.

To believe in God as Creator requires that we must believe that God is the author of life, all life, every life. It is not merely the logical conclusion of that belief: it is the only conclusion. And if that is what we believe; if that is the only conclusion that we can derive from our common human experience, how can anyone reasonably not respect life in all its stages?

## Please!!! May We All Respect Life!!!

By David M. O'Connell, C.M.  
Bishop of Trenton

Even those who do not believe in God as Creator have to admit that respect and care for life must be the thing that differentiates us, as human beings, from everything else that exists. The survival of the human species depends on it. It is not only a religious conviction, and it is certainly that. Respect for life is a profoundly human conviction, a dictate of human reason and science that, when joined to religious faith, elevates respect for life to the level of what is truly sacred about human existence.

One need not be a philosopher or theologian or even particularly intellectual or religious to draw this conclusion. One need only to open one's eyes, to the morning, to hear another's love another to know that life is

ished.  
And if one is not able to see or to hear or to grasp — for some reason — to love and to be loved is still our existence in this world.

Even God himself chose to take on flesh in Jesus Christ, to be born, to be loved by his family, to grow, to laugh, to cry, to make friends, to feel loneliness, to be understood by some and misunderstood by others, to be happy, to be sad, to give himself to others, to suffer for them out of love — in essence, to be fully human while fully divine — and in all of this, to show that human life is sacred, a gift of God, and worthy of respect without exception from conception until natural death.

We who follow Jesus Christ, the Lord of Life, cannot do otherwise than respect life in all its stages. To do less, regardless of any circumstance or situation, is to be less human, rejecting what Jesus has redeemed in his own Spirit has sustained. On this truly respect life and know what

## Communion Visits; Confession Visits; Anointing of the Sick

Please keep in mind that the parish priests and our lay Extraordinary Ministers of the Eucharist are available and eager to bring Communion to parishioners who are in the hospital (nursing homes, assisted living facilities, rehab centers, and hospices, too) and to parishioners who are at home but unable to get to church. Please contact Mary Valan at the parish office to make arrangements. Hospitals and other healthcare facilities **generally do not notify the parish office** regarding their Catholic patients who desire to receive Sacraments. And so it falls to the patient herself/himself or to a family member or friend to contact the parish office to make the request. The parish priests will also very gladly make a hospital visit or home visit to hear a Confession and/or administer the Sacrament of the Sick ("Anointing of the Sick") in addition to bringing Holy Communion. Please remember to contact the parish office to make these arrangements. Thank you.
