January 19, 2024

ALL ARE WELCOME for the 51st annual **MARCH FOR LIFE** in Washington DC

The work to build a culture of life in the United States is not finished, even after the overturning of *Roe v. Wade*. Many national legislative battles lay ahead including keeping Hyde protection limiting government funding for abortion.

We, along with thousands of pro-life advocates, will march to voice our support for the unborn and mothers in need! The goal of the national March for Life is to not only change laws at the state and federal level, but to change the culture.

We will continue to march every January at the national level until a culture of life is restored in the United States of America.
